## DIATH.

**Mrs. Margaret Tucker, After an Illness of Three Days, Succumbs to the Inevitable.**

### FUNERAL SERVICES LARGELY ATTENDED

Last Monday morning, week, after returning from the homes of two neighbors, the subject of this writing was taken with a chill and also an attack of flux. She did not think, nor did the members of the family, that she was seriously afflicted, but in a few hours she commenced rapidly to weaken, and it was soon evident that she could not live, and at 11 o'clock Wednesday night, without a struggle, she crossed to the other side. She was perfectly rational until a few minutes before the end came.

The deceased was born and reared in Columbia, and had she lived until the 20th of next March, she would have been 79 years old. Her parents, H. G. and Ella Atkins, preceded her to the grave many years ago.

She was twice married. Her first husband was Jas. R. Ewing, who was also a native of Adair, and her second husband was Alfred Tucker, of Perryville, Boyle county. A few years after her marriage to Mr. Ewing they removed to Lebanon and entered the hotel business, remaining there several years, and from Lebanon they removed to Campbellsville, where they also engaged in the hotel business, and where Mr. Ewing died. After his death she returned to her home in Columbia, and in a few years thereafter she met and was wedded to Mr. Alfred Tucker, becoming a resident of Perryville. After the death of her last husband she returned to Columbia where she remained almost steadfastly until the final dissolution.

While she lived to a good old age, honored and respected by all who knew her, she was young in disposition, and was perfectly happy when her home was full of young girls, and in all of their enjoyments she took a deep interest. She had no malice and was never heard to speak an unkind word of any individual.

Her death was a shock to the community, and coming so sudden, all was over before more than half the people of Columbia knew that she was ill.

She was a consecrated Christian and had been a member of the Methodist Church since her early girlhood. She was regular in her pew, only sickness and extreme bad weather preventing. She will be sadly missed, not only from the home, but by all neighbors.

The deceased leaves two sisters, Mrs. Ada Schelling, of Salt Lake, Utah, and Mrs. Kinzie Murrell, this place, the last named being Mrs. Tucker's daily associate since the death of Mr. Tucker. She also leaves two nephews and several nieces, all of whom were devoted.

The funeral services were held at the Methodist Church Thursday afternoon at 3 o'clock. The discourse was preached by her former pastor, Rev. J. S. Chandler, of Campbellsville, who paid a high tribute to her life and character. Rev. L. F. Piercy, the recently assigned pastor, assisted in the services. The building was full of sympathizing friends.

At the close of the church services the remains were conveyed to the city cemetery where they were deposited by the side of loved ones.

There were many beautiful white flowers, emblematic of the pure life lived by the deceased.

Hon. W. T. Lasley, of Logan county, made a good speech, at the court-house, Monday night, in the interest of the Democratic party.

Bob Hood writes us from Buffalo Hart, Ill., stating that there was a severe snow storm on the 20th of October, but it did not continue long. He further says that every farmer is having his corn shucked, and that the men turn out 80 to 100 bushels per day. Some women shuck, and that the best female shucker in his county is the wife of Robert Dixon. She shucks 60 bushels per day.

Wednesday and Thursday, this week, a great change should be made on the Dug Hill.

### Administrator's Notice.

All persons owing the estate of the late Dr. B. F. Taylor, by note or account, are hereby notified to call at my office and settle. The business of the estate must be closed in the next few months.

James Taylor, Administrator.

We have received a copy of the Hillsboro, Illinois, paper containing an account of the death of Alvin Sanders, who died in Montgomery county, Ill., October 19, 1916. He was a native of Adair county, Ky., and was 96 years, 9 months and 24 days old. His father was named John Sanders. Perhaps some of the Sanders of this county know something about him.

## SKETCHES.

**D. E. Hatcher.**

We have been writing sketches of traveling men for two months and we are yet not through. This week we take up D. E. Hatcher, who is known to all the merchants in his territory and to the people generally as "Neighbor" Hatcher. He has been on the road for about forty years, traveling in different lines, but for shoes longer than any other branch of business. For some years he has been the representative of John J. Schulten & Co., a well-known shoe house of Louisville, and he has sold an immense lot of goods in this part of Kentucky. He lives at Glasgow, and his territory embraces twelve or fifteen counties. He is a very companionable gentleman, and after business hours he is an entertainer on any subject that might be advanced. His genial disposition has made him a host of friends, and he is popular with all the merchants he sells. He represents a house that handles the best brands of goods, hence he takes a delight in showing samples. Aside from the business he represents, he takes time to read the current events, and to-day there is not a better posted man on the political issues, now engaging the minds of the people of the United States, and furthermore, he keeps up with the doings in Europe.

The people of Columbia are always glad to see Mr. Hatcher, and he never lacks for company when at the hotel. We trust that his business may continue to grow, and that he will not run out of red cedar as long as he remains upon the road.

Do not fail to hear Hon. Elwood Hamilton discuss the issues, from a Democratic standpoint, at the court-house Monday, November 6, at 1 o'clock p. m.

### For Sale.

I have a 15 H. P., J. I. Case Engine and a new Peerless Threshing Machine which has been run only 5 weeks, and both up in good shape, that I want to sell. Any one desiring to buy said property, call on me or write me at Donansburg, Ky.

H. C. Wright

Lucian Brockman, who was charged with being implicated in removing indictments from the Russell county circuit clerk's office, was given a trial at Jamestown last week and acquitted. The jury was from Casey county.

Don't forget to be on Dug Hill Wednesday and Thursday this week.

A. S. Chewning's sale was well attended on the 25th ult. Some stock sold fairly well and some did not bring so much as it should. Everything offered went.

## Come and See.

You may hear of many new things, yet if you never have attended chapel at Lindsey-Wilson school you missed it all. Something new each morning, something you never dreamed of. Yesterday, Oct. 25th we had a great surprise. Bro. Huffaker, county school superintendent, came over and gave a most wonderful address. His talk helped and benefitted all. What was the most surprising was the newly formed quartette of the Lindsey band, consisting of P. G. Chandler, Lewis Jarvis, Noel Thomas and Capt. Schroer. Many hearts were filled with emotion while the sweet strains of "Nearer My God to Thee" rolled out, surely this band of young men ought to be encouraged, by frequent visits. They will soon be ready for a concert.

### Spokes Wanted.

The Adair Spoke Company is now receiving hickory and White Oak spokes, same kind as heretofore and at same prices.

E. W. Wethington.

### COMMISSIONER'S SALE

Do not fail to hear Governor Black next Saturday afternoon.

### Wanted.

Two or three second hand Ford cars.

1-3t Myers & Son.

To-day, Wednesday, is the time set to begin work on the Dug Hill. Every body on the Stanford road and adjacent to it ought to show up in good faith. Not only the people in that vicinity but the people of Columbia ought to help make this piece of road. It means so much to allow it to fail. Bring a sharp ax, shovel or pick and in two days if enough men take up this work we will have a great improvement well under way.

The Basket Ball team from the Jamestown Graded School got badly left here last Friday night. The High School team, of this place, was in fine shape, defeating the visitors by a score of 59 to 8. A large audience witnessed the contest. The visiting club remained over to witness the foot ball game between the Lindsey-Wilson and the Springfield High School team, which terminated 32 to nothing in favor of the Lindsey-Wilson.

Ladies are invited to hear Gov. Black at the court house, next Saturday afternoon.

Sandusky Bros. informs us that they are now building a Ford garage near their planing mill on the street connecting with the Stanford road and Campbellsville pike. It will be 40 by 80 feet and equipped in every particular to serve the public. A full and complete line of repairs for Ford machines will be kept in stock and service will be given day or night. They are agents for the Ford, believers in the Ford and directing their energies in its sale and equipments.

Hon. Elwood Hamilton, will address the voters of Adair county, at the court-house, in the interest of the Democratic party, at 1 o'clock, p. m., Monday, November 6. Turn out every body and hear him. He is a speaker of ability.

Ball Chief, recently purchased by C. D. Cheatham, will make the season of 1917 in Columbia. He is a good one, registered.

Phelps Bros., of this place, bought 26 head of shipping cattle, in Cumberland and Adair, last week at 35 to 50 cents.

### Notice.

The holder of County Warrant No. 4266 for \$1.25 issued to Mrs. Eliza Barnett at the October term, 1915, of the Adair Circuit Court, will present same to me at once for payment, and same will not draw interest from this date. This October 31st, 1916.

J. R. Garnett.

1-2t Treasurer of Adair Co., Ky.

Bryant & Shively, the well-known opticians and jewelers of Campbellsville, have an advertisement in The News this week. This is a very reliable firm, handling only the best of goods. Trade from Adair and adjoining counties is solicited. They will have a magnificent display of Christmas goods in due time. Write or call and see them.

Rev. J. S. Chandler, of Campbellsville, who is one of the strongest ministers of the Louisville Conference, and who is a great favorite of the people of Columbia, where he preached for three years, filled the pulpit of the Methodist church here last Sunday forenoon. The building was crowded, and a most excellent discourse was delivered.

Mr. H. K. Pickett, of Sulphur City, Ark., writes: "Enclosed find \$1 to keep the News coming to my address. We learn of things through the medium of its columns that we would never know otherwise. I want to see old Kentucky roll up an overwhelming majority for Wilson, as we will in Arkansas."

J. B. Cave dug into a warf rat's nest last week. Besides the old one, he found six young ones, three blue and three white. He had two of the white ones on exhibition in Columbia.

The News will not be published next week until Wednesday. By holding the paper back a day we will be enabled to give the result of the national election.

Mr. John Richard Keltner, a prominent citizen of the Keltner section, died very suddenly on the 26th ult.

## Painful Accident.

The people of Columbia were sorry to hear of an accident which befell Mr. J. T. Goodman, at his home, Rowena, Russell county. He was in the second story of his barn, and a plank gave way and he fell to the lower floor. One of his collar bones were broken and he was otherwise badly bruised. His son, Raymond, who is in the Lindsey-Wilson, was called home. It is hoped that Mr. Goodman will not be long in recovering.

### Bargains.

For 30 days I will sell Men and Boy's Clothing at cost for cash, except Overalls.

52-2t T. E. Waggener.

### To Trustees.

The newly elected trustees will not take office till the first Saturday in March 1917. On that day they and the trustees who hold over for another year will meet at the Superintendent's office. The old retiring trustees will hold office till March and will sign all reports and manage all school affairs till that time.

Respectfully,

Tobias Huffaker, Supt.

The New Baptist church at Campbellsville was dedicated last Sunday, an immense crowd of people being present. Rev. Gilland, of Tennessee, preached the dedicatory sermon. Before beginning he announced that there was a balance of ten thousand dollars due on the building, the entire cost being about forty thousand. The balance was quickly contributed. After the discourse the entire assembly was dined in the basement by the good people of Campbellsville and Taylor county. A large delegation from Columbia and out in Adair were in attendance.

### Foot Ball.

A large crowd saw a very hard contested game of foot ball here Saturday when Springfield lined up against Lindsey-Wilson. The Lindsey boys fought hard from the first and finally pulled up 32 points to their opponents. A Will Cundiff led in gaining ground for the local boys while Ed Hill was strong on the defensive. The game was more interesting than usual because many people thought Springfield would win on account of the comparative scores each team had made against Bloomfield.

Lindsey-Wilson's line up was: Willis, center; Bowen, left guard; Hill, right guard; Powers, left tackle; Burckett, right tackle; Baxter, left end; Mitchell and Vaughn, right end; Jarvis, quarter back; Popplewell, full back; Faulkner, left half back; Cundiff, right half back.

### From Oklahoma.

Bartlesville, Oct. 20, '16.

Mr. C. S. Harris:

I am enclosing draft for \$5.00, according to statement. Of course I could not do without the News. While there is often the sad mortuary notice—the gathering to their fathers of many of my old friends; it also brings cherry reports of plenty and happiness among you, which, after all, is the main thing.

I trust that there will be no let up until you secure the R. R. With your almost invariable good seasons and enterprising farmers—with better shipping facilities your output could soon be double or tripled. Being in a veritable Sahara I can better appreciate what you are enjoying and could do under proper pressure in an agricultural way.

Truly

M. F. Dudley.

Come in and hear Gov. Jas. D. Black at the court house next Saturday at 1 o'clock.

## ANNOUNCEMENT.

## For Sheriff.

We are authorized to announce W. B. PAT-  
TESON a candidate for Sheriff of Adair County,  
subject to the action of the Republican primary  
of 1917.

The Elizabethtown News says  
that Wilson is a man of peace,  
while Hughes is a piece of a  
man.

Next Tuesday will be the elec-  
tion. Go to the polls, stamp  
under the rooster, and he will do  
the scratching.

More praise has been accorded  
Woodrow Wilson than any other  
man who has occupied the execu-  
tive chair at Washington.

If you are a Democrat and be-  
lieve in the policies of the great-  
est living American, Woodrow  
Wilson, be at the polls next  
Tuesday.

All honor to the man who has  
kept this country out of war,  
thereby saving the lives of thou-  
sands and thousands of the  
young blood of the nation.

Kentucky will elect ten Demo-  
cratic Congressmen next Tues-  
day. The Eleventh district will  
elect the same individual that it  
has been in the habit of electing.

Woodrow Wilson is a man who  
is capable, and has the interest  
of the United States at heart.  
Vote for him, elect him, that he  
may continue to accomplish great  
achievements.

In the history of this nation,  
the country was never in better  
condition. Why make a change?  
We know from his acts that  
President Wilson stands for the  
great common people, and is  
against the bloated bond holder.  
Then why not vote to re-elect  
him?

Democratic principles are the  
best safe guards to human lib-  
erty, and when we have a man at  
the head of affairs, at Washing-  
ton, who has accomplished much  
for the farmer and laboring  
classes in all walks of life, why  
should he be exchanged for an  
untried man? We know what  
Wilson has done; we know what  
he has promised, and we know  
that he will keep his promises.

And now they have got  
former President Taft going  
around making the charge that  
the eight-hour-law is a force bill.  
The whole pack is now yelping  
in unison to that effect, but the  
people see the purpose. Wilson  
and the Democratic Congress  
prevented the strike, and did so  
because the interest of the coun-  
try demanded it, not because the  
brotherhoods forced it. It was a  
master stroke by a master hand,  
and saved the country great loss  
and suffering.

President Wilson said at Om-  
aha that America is as ready to  
fight as any nation, but its cause  
must be just. That's the thing.  
We must not be thrown into all  
the horrors of war to please the  
jingoes or to make speculation be-  
come remunerative. The coun-  
try seems willing to leave it to  
President Wilson, and there is  
every indication that he will be  
given four more years of power  
to keep it out of war with the  
honor that has attached to all  
his dealings with other nations.

## Now Lookout.

When a cold hangs on as often hap-  
pens, or when you have hardly gotten  
over one cold before you contract another,  
lookout for very serious disease. This  
succession of colds weakens the sys-  
tem and lowers the vitality so that  
you are much more liable to contract  
chronic catarrh, pneumonia or con-  
sumption. Cure your cold while you  
can. Chamberlain's Cough Remedy  
has a great reputation. It is relied  
upon by thousands of people and never  
disappoints them. Try it. It only  
costs a quarter. Obtainable at Paul  
Drug Co. Adv.

## Joppa.

We are certainly enjoying the pretty  
weather we are having now.

Prof. R. O. Cabbell is teaching a  
singing school at Cyclone this week.

Miss Kathreen Willis, who has been  
sick for the past two weeks, is no bet-  
ter at this writing.

Mr. and Mrs. Avila Sullivan have  
gone to Russell county to attend the  
funeral of the latter's grandfather, Mr.  
Tim Leach.

## Saved Girl's Life

"I want to tell you what wonderful benefit I have re-  
ceived from the use of Thedford's Black-Draught," writes  
Mrs. Sylvania Woods, of Clifton Mills, Ky.

"It certainly has no equal for la grippe, bad colds,  
liver and stomach troubles. I firmly believe Black-Draught  
saved my little girl's life. When she had the measles,  
they went in on her, but one good dose of Thedford's  
Black-Draught made them break out, and she has had no  
more trouble. I shall never be without

THEDFORD'S  
BLACK-DRAUGHT

in my home." For constipation, indigestion, headache, dizzi-  
ness, malaria, chills and fever, biliousness, and all similar  
ailments, Thedford's Black-Draught has proved itself a safe,  
reliable, gentle and valuable remedy.

If you suffer from any of these complaints, try Black-  
Draught. It is a medicine of known merit. Seventy-five  
years of splendid success proves its value. Good for  
young and old. For sale everywhere. Price 25 cents.

Mrs. Ernest Flowers is at the bed-  
side of her mother, Mrs. Ellen Holla-  
day, who has been quite sick.

Miss Julia Lloyd, who is teaching  
school at Bloomington, was at home  
last Saturday and Sunday. She was  
accompanied by Mr. and Mrs. G. Cur-  
ry.

Mrs. Mattie Holladay, daughter and  
sons, Lois and James, and Messrs.  
Forest Willis and Burton Yates, at-  
tended the Association at Palestine  
last week.

it has reached the third generation.  
It is over a hundred years old, but is

There are five campaign committees in each precinct in the State whose duty it is to see that every Democrat or other person who will vote the Democratic ticket shall go to the polls on November the 7th and cast his ballot. These gentlemen have been appointed because of their enthusiasm and energy, and it is safe to assume that they will do their full duty. If they do and a full vote is recorded, there will

be no doubt of the outcome. Kentucky is naturally a Democratic State and it is only when Democrats fail of their duty that she departs from her traditions. There is every reason this year that every Democrat should be alert and let nothing keep him from the polls. President Wilson must be kept on guard to protect the honor of the nation without war if possible, and to maintain peace and prosperity. What he has done is an earnest effort of what he will do to carry out the splendid program mapped out. Be sure to go to the polls and stamp under the rooster.

wealth by appeals to passion and cupidity, by abuse of Wilson and the Democratic party and with the tainted money that Wall Street is supplying so lavishly. They are reckoning in vain, however. The Democrats are on to their game and every man intends to do his duty, which spells Republican defeat, labor lost and money wasted.

Senator Gore, the blind man eloquent, said at Hopkinsville, that the Democrats had passed a dozen laws, any one of which would have immortalized the Republican party, and in praising the income tax law, passed by a Democratic Congress said, "If you wish to take the load from the back of Dives and put it on the back of Lazarus" vote for Hughes. The latter's opposition to the income tax law and his objection to having the rich pay their proportion of the burden of taxation, seems to warrant the belief that in the event of his election the law which is taking millions from the rich for the support of the government will be repealed. The success of the Democratic party insures that wealth will continue to be taxed as it should.

Human Machine Falls When Digestive and Eliminative Processes Get Out of Order, Yielding Poisonous Waste Instead of Strength-Building Nutrient—Tanlac Expert Talks.

Many ills to which people are especially liable at this time of the year are direct results of a disordered stomach and deranged digestion, according to the Tanlac health expert.

"In a majority of cases those who suffer from sickness must blame their stomachs," he said. "We must remember that the strength of the body comes from the digestive system.

Food Becomes Poison. "When the supply of nutrient needed to keep the human machine fails, the food which should have given strength becomes poisonous waste. "The stomach has been called 'the chemical laboratory of the body.' There the material taken into the body is rendered into blood, bone and muscle for permanent health, vigor and vitality.

"The success of Tanlac as an aid to digestion, assimilation and the functions which dispose of waste matter has been proclaimed by thousands.

Restores to Normal. "Tanlac is a vegetable remedy, designed to feed while it heals sick, sore stomachs, and to bring back the digestive system to its normal, natural work. Thus health is restored, yielding energy, ambition and vitality, and giving that feeling of complete well being necessary to the full enjoyment of life by every man and woman.

"With the health and strength that Tanlac gives, people are less subject to disease. Thousands who have taken Tanlac are grateful because it made them well and kept them well."

In previous presidential years, the Republicans have laid great stress on their claim that the election of a Democrat meant financial disaster as the party was incapable of administering the affairs of government. You have not heard any thing of the kind this year. The Democrats have been demonstrating the falsity of such a claim for nearly four years in a most successful administration of affairs and have so changed the banking laws that Republican money kings cannot throw a panic at will. Financial affairs were never in better condition nor business more flourishing. The old familiar scare crow has been

relegated to the junk shop for good and all. This in the face of the certainty of the reelection of Wilson is praise indeed of the benefits that his administration have brought. Vote to continue it.

## TESTIMONIALS

Mansfield, Ky., Dec. 2, 1914.

The Buchanan Lyon Co., Campbellsville, Ky.

Gentlemen: I am pleased to tell you that my Princess is the best stove I ever used. I have cooked biscuits in it in three minutes. It burns less wood and cooks quicker than any stove I have ever seen. If there ever was a stove perfect, it is a Princess.

If I had to buy 25 stoves I would want them all Princess. I have never seen any stove that I would give my Princess for. It is a perfect stove in every respect.

Hoping that what I have said will be the cause of you selling a good many stoves and wishing you success, I remain a friend to the Princess.

MRS. S. L. PHILLIPS.

Mac, Ky., Dec. 7, 1914.

The Buchanan Lyon Co., Campbellsville, Ky.

Gentlemen: The Allen Princess stove is the best I ever used. It gives satisfaction in every way. It develops heat more quickly, with less fuel, than any other stove. It means well cooked food, served on time. Food placed in the warming chest will not dry out but stays moist and fresh, and the stove is so easy cleaned; no cracks and corners for dust and grease to accumulate.

The reservoir is so nice; water never gets cold in it from one meal to another and it's easy cleaned.

I would not exchange my stove for twice what I gave for it.

Yours truly, ADA PEPPER.

Campbellsville, Ky., Dec. 3, 1914.

The Buchanan Lyon Co., Campbellsville, Ky.

Dear Sirs: I am certainly well pleased with my Allen Princess Stove. It bakes so nice. You do not have to move your victuals from top to bottom of stove to bake. You can put your biscuit in top part of oven and when done, will be as nice brown on bottom as on top. Then the reservoir and warming closet are such conveniences. I think it requires less wood and will heat up just as quick as pther and smaller stoves.

I have been using your range eleven months and it has proven entirely satisfactory in every way. I will advise anyone, who is going to buy a stove, to get an Allen Princess Range.

Your friend,

MRS. JOE HENRY CROUCH.

Hatcher, Ky., Dec. 3, 1914.

The Buchanan Lyon Co., Campbellsville, Ky.

Dear Sirs: I feel gratified to express my appreciation of the Princess Range. For economy in fuel, convenience and quick heating I do not think it can be excelled.

I have been using the Princess Range for 18 months and am willing to give it the praise every opportunity I have.

Yours truly,

SALLIE T. CAMPBELL.

Saloma, Ky., Dec. 7, 1914.

The Buchanan Lyon Co., Campbellsville, Ky.

Dear Sirs: We have used an Allen Princess Range for two years, and advise anyone, who needs a stove, to get this range. For it will burn either wood or coal. This range is worth its weight in gold to any woman in her kitchen.

Yours truly,

MRS. T. J. ESTES.

Merimac, Ky., Dec. 3, 1914.

The Buchanan Lyon Co., Campbellsville, Ky.

Gentlemen: I am writing to tell you how well pleased I am with my Allen Princess Range. I wouldn't give it for any stove I ever saw. It cooks better than any stove I ever used, and the victuals are better. I wouldn't have it taken out of my kitchen, and risk the chance of getting another that would cook as good, for \$75.00. Oh! I am well pleased.

MRS. MARTHA SWEEDEN.

Mrs. Julia Baker, who has been on an extended visit to her daughter, Mrs. S. Mills, of Liletown, returned home the first of the week.

Rev. Bush, of Columbia, filled his regular appointment here last Saturday and Sunday. As usual his discourses were interesting.

### November Woman's Home Companion.

Charles Evans Hughes, Republican candidate for President, has written an article for the November Woman's Home Companion in which he discusses some interesting topics for women.

Other special articles are "The Christian in Politics," which is a sermon for voters; the "Comedy and Tragedy of Being Fat," a confession by a stout woman; "Heroines of Fiction;" "Finding Your Market;" and "What is the Matter With Your Baby."

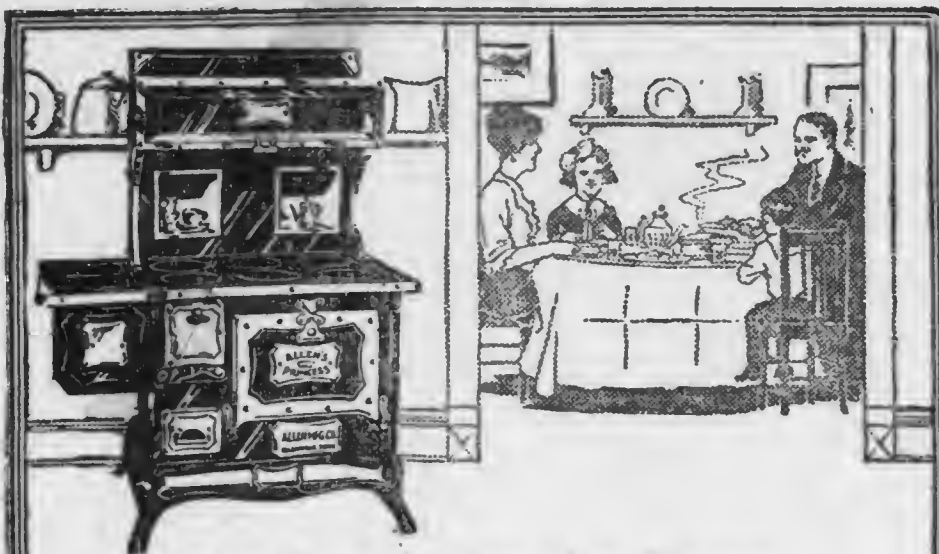

The fiction consists of the concluding installment of "A Daughter of the Morning," and the beginning of "The Man Biter," a new two-part story. Mary W. Freeman and others contribute short stories.

The fashions, pictures and other regular departments are filled with interesting material.

Gentlemen: Have not been using the Allen Princess Range very long, but in cooking I find that it takes less fuel and cooks much quicker than any other range I have ever tried and the reservoir is the only one I have had that the water would get even warm.

I think this range the most economical in every way.

Gentlemen: Some time ago I bought of you an Allen Princess Range. It has proved very satisfactory both in cooking and baking. I seldom raise the damper to bake.

## TESTIMONIALS

Campbellsville, Ky., Dec. 7, 1914

The Buchanan Lyon Co., Campbellsville, Ky.

Dear Sirs: I will write you and let you know how well pleased I am with my new Princess Range, which my father bought me a few days ago. It is sure a fine stove. I believe it is without a fault. I think it is as near perfect as a stove could be made.

It is so easily kept clean and such an even baking stove. Will burn any kind of fuel. Wood that our old stove would not burn at all just simply roars in this stove. And last, but not least, it is the cheapest and best looking stove on the market, and anyone wanting a range could not do better than buy a Princess Range.

Wishing you success with your Princess stove, I beg to remain,

Yours truly,

MRS. GEO. RIEDEL.

Gentlemen: I wish to recommend the Allen Princess Range to any lady desiring to buy a stove. I think it one of the best and most beautiful stoves I have ever seen. Its cooking is so even and nice and requires less fuel than any stove I ever saw.

Anyone desiring to buy a range; I think, will make no mistake in buying the Allen Princess Range.

Gentlemen: I purchased one of your Allen Princess Ranges about four-months ago, and I cannot explain to you how well I am pleased with it.

It is fine for any kind of cooking and will burn any kind of wood and takes less than any other stove. It is plain and easy to keep clean. I cannot recommend it high enough.

Yours respectfully,

MRS. J. S. HEDGES PETH.

Gentlemen: The Allen Princess Range we think the best to be found on the market. It takes less fuel, making more heat, heats up in a short time, bakes quicker than any we ever had.

It is easy to keep clean, being plain; no wavy places for dirt to collect. I can bake a batch of bread in forty minutes, the nicest brown. The warming closet keeps food warm and moist, while so many others dry up the food.

Gentlemen: I can highly recommend the Allen Princess Range, bought from the Buchanan Lyon Co. I have used it for over two years and it is as good as it was the day I bought it.

I have used several different kind of ranges. Have also cooked on the Home Comfort, and say the Allen Princess Range is the best.

No one will ever regret buying the Allen Princess Range.

Yours respectfully,

MRS. W. H. YOUNG.

Dear Sirs: I am glad I have the opportunity of telling you how well I am pleased with the Allen Princess Range. I have used it for two years and have found no fault, at all. It heats so quick, bakes so even, and is excellent for all kinds of baking. Then the reservoir keeps water warm over night. It is plain and easy to keep clean.

I only wish every housekeeper had an Allen Princess Range.

Yours respectfully,

MRS. INGRAM CAULK.

Dear sir: I wish to compliment the Princess Range, bought of you. It heats quick and bakes so evenly and nice. It doesn't take any more, if as much, wood as a box stoves. It is made so plain, makes it easy to keep clean. It is my choice of any range I ever saw.

Respectfully,

MRS. JOHN ROBERTS.
